

# WELCOME FRIENDS

The Portalakis family believes a good friendship begins with a good meal. La Casa Ouzeria is a place where friends and families come together to experience delicious food, rich laughter and the love of Greek hospitality. Since 1996 we have enjoyed being one of Penticton's most beloved restaurants and we can't wait to show you why.

Our family honours the tradition and authenticity of housemade Greek & Italian Cuisine using only fresh and seasonal ingredients, just as our ancestors have for generations. We are excited to share our passion and these inspired dishes with you.

Kali Orexi.
